

## SUSWOT Steering Group 13<sup>th</sup> MARCH Chez Myra

Myra, Derek (market item) Hattie, Jill, Mike

### Market

NP bid for funds to negotiate with landlords of Carlton Court not successful.  
Can't afford to go ahead without grant

3 alternatives:

- Keep the market where it is but with some kind of new initiative – what?
- Close the market
- Find someone else to take over the management

Decided to keep market going till May because we have agreed to collect more unwanted bikes

Mike pointed out the importance to SusWoT of the income we get from the market

**Myra/Derek will consult with Justine and Alex about the alternatives and remind Andy about putting a what's on ad back into the Bristol 9 mag. (yes, will be reinstated).**

**Also discuss at AGM**

### Wormeries

Discussed options if NP funding bid isn't successful – do we supply at a discount (recipients more motivated to participate and provide feedback?) or provide for them (ditto?)

### Response to Get Growing

What info to put on the Get Growing map/leaflet? **Same as last year (deadline for reply 21<sup>st</sup> March)**

Are you coming to the get-together on 8 May **Yes – Alex or Mike**

Do you have a banner from last year **Yes**

### Someone to join Green Capital Partnership Groups (Food and Get Growing)

Raise at AGM

### AGM April 10<sup>th</sup>

Mike preparing a short statement about wormeries and where we may take the project in the future

Wine and cheese as before

Ideally need a treasurer

**Fran/Alex to send out a prelim notice ASAP to mailing list to alert people to the date**

### Other

**Website needs updating** – still has Christmas trees and ad for Christmas fair and Jan as next market date.
