Getting the Best from Local Transport in Westbury-on-Trym (display at the library)

SusWoT will be putting together a display showing the local transport opportunities that exist in Westbury-on-Trym. The display will be in the cabinet in the library, from 29 February until the end of March. This will be finalised at the Committee meeting in January.

The display cabinet is 4' by 4'. It needs to be attention grabbing with a few clear messages.

There will be a central map 3' by 3' showing where in WoT to catch the bus to key destinations. (Temple Meads, Southmead Hospital, Parkway Station, the Centre, Cribbs Causeway and Bristol Airport, are there others we could put?) There will be a list of your transport secrets, such as people with free bus passes can get to the airport for nothing, and how to do it and the money to be saved by buying train tickets in advance etc..

Inside the library but advertised in the display, will be all the local timetables we can assemble, bus and train.

There will be a place for people to note down their transport secrets.

Actions

1. Produce a map showing where to catch the bus. **Action DM**
2. Obtain a number of all the appropriate bus and train timetables. **Action ??**
3. Gather all the transport secrets we can and turn them into a display. **Action ??**
4. Develop a mechanism for collecting people's transport secrets. **Action ??**

Mayoral Hustings in March

We will ask Steve Tainton if he wishes to organise a Mayoral Hustings. We would seek to do this before the 'legal' campaign starts so that we need only invite the 'serious' candidates. (George Ferguson, Labour, Green, Conservative and Liberal Democrat.)

Action

Alex to ask Steve if he is interested in such a thing. **Action AD**

Christmas

A SusWoT social to be organised in the Post Office Tavern one Friday in December before Christmas. Unless there are strong objections 18 Dec looks best as this on the eve of the Fayre when final arrangements can be made.

Action

Organise a drink at the pub. **Action AD**
